

JAMBOREE PROCEEDS HELP FUND THE FOLLOWING

- **Metro Area PF Youth Initiative**

The mission of the Metro Area PF youth initiative is to promote firearm safety and positive outdoor experiences in order to develop a respect and appreciation for wildlife, habitat, and conservation.

- **Habitat acquisition and restoration**

Since its inception in 1982, Pheasants Forever's wildlife habitat projects have benefited more than 5.3 million acres across the continent. In that time, PF has participated in over 1,000 different land acquisitions totaling over 135,000 acres. Those land acquisition projects have been completed in conjunction with local, state and federal natural resource agencies, and all of those projects are today open to public hunting.
